

Hello dear children! I missed you a lot and I missed our lovely English lessons together!!!  
But now our priority (προτεραιότητα) is to stay home and stay safe!

In order to keep in touch and practice our English, from time to time I will be sending you some interesting reading activities. You don't have to print anything, just write down your answers on a notebook or a piece of paper, so you can check them when I send you the answers with the next activity.

If there is something you don't understand, don't worry about it, just don't do it till I send you the answers!

With lots of love,  
Mrs. Yiota 💕

(1) First, I want you to visit the following link <https://youtu.be/OdNv-J31Kk8> and watch a short video about the Carter family going for camping. Pay good attention to the vocabulary used while watching the video children!!! You are going to need it for the reading activity afterwards 📄

(2) Now read the following text about another family and answer the questions please!

### The Camping Trip

Lily and her brother Ryan are camping with their mom and dad. Ryan and Dad are setting up the tent while Lily and Mom are collecting sticks to start a campfire.

Once the tent is ready, they start a fire in the pit. Lily and Ryan are looking for long pointy sticks to use for cooking hot dogs over the fire. They finally find four perfect sticks, one for each of them.

Everyone is placing two hot dogs on their sticks. They are holding the hot dogs over the fire and turning the sticks slowly, so every side of each hot dog is cooked. Then they put the hot dogs into buns and add ketchup and mustard. The hot dogs are delicious.

After the delicious hot dogs, Lily is getting out the marshmallows for dessert. They are all roasting marshmallows over the fire. Soon they are popping the yummy treats into their mouths!

Sitting around the campfire and eating marshmallows is Lily and Ryan's favorite part of camping.
